(D)
In G.O.No.1026 Mis. Revenue dated 3rd July 1925, Government accepted the proposal of the Commissioner to transfer temporarily the Assistant Inspector at Kollegal with an orderly of four peons to Coimbatore Circle and to divide the whole of Kollegal Taluk into 2 ranges, Kollegal and Hanur each range under a Sub-Inspector with 4 peons. The proposal was ordered to be tried for a period of 2 years from 12-8-1925. Statistics of rentals and consumption in the newly formed ranges of the Kollegal Taluk are enclosed. Though there is a fall in the two ranges, the fall is reported to compare

favourably

favourably with that in the other Taluks of the Circle. The effect of the new arrangement is reported to be satisfactory and the Assistant Commissioner reports that the arrangements may be made permanent. The permanent vacancies of two 4th grade Sub-Inspectors consequent on the abolition of Veppanapalle range of Hosur Circle and Hadagalli frontier range of Hospet Circle are utilised for the 2 ranges of the Kollegal Taluk. Of the 1 petty officer and 8 peons sanctioned for the Assistant Inspector, Kollegal Taluk, the peons are working in the Kollegal Taluk. The Commissioner recommends that the temporary arrangements made in the Kollegal Taluk may be made permanent.

To Asst Secy

Please see the reference from the Commr of Enceise in the CF.

2/. In Go 1026 Revthi dated 3.7.25, the Govt approved the following proposals of the Commr of Enceise:-

(a) Transfer of the Asst Inspector, Kollegal, with an orderly of four peons, to the Coimbatore circle,

(b) Division of the Kollegal taluk into two ranges viz Kollegal and Hannur respectively and placing each range in charge of a sub-inspector with an orderly of four peons

The Commr then proposed that the two addl sub-inspectors required will be drafted temporarily from other circles. For the 8 addl peons required for the two sub-inspectors, the Commr proposed to utilize 5 peons already available in /

Kollegal taluk and draft the three addl peons required from other circles.

The ~~above~~ proposals ^(stated above) were sanctioned temporarily as the Commr reported that the Coimbatore circle needed urgent relief. The Commr now reports that the effect of the new arrangements specified at p1 supra has been satisfactory and he recommends that the arrangements may be made permanent.

The Commr ~~proposes~~ ^{has} utilized for the two posts of sub-inspectors the two permanent vacancies of the sub-inspectors. Consequent on the abolition of two ranges in Horns & Hosur circles. No ~~separate~~ ^{arrangements} for the peons are ~~necessary~~ ^{necessary} as all the 8 peons originally working in the Kollegal taluk are reported to be working there still. Apparently separate peons from the Coimbatore circle have been posted for work under the Asst Inspector newly transferred from Coimbatore circle from Kollegal.

But one of them is on Rs 20-1/2-24 scale. There is no need for such a peon under the permanent arrangement. Has the ~~substitution~~ ^{substitution} of an admy peon on Rs 12-18 for this peon been definitely agreed? If not it must be agreed now. The Commr. referred to such substitution in another connection.
